To whom it may concern

Please note, the Health Protection (Coronavirus, Restrictions) (All Tiers) (England) Regulations 2020 and the Health Protection (Coronavirus) (Restrictions and Requirements) (Local Levels) (Scotland) Regulations 2020 specify a number of exceptions where a person may leave or be outside their home. This list includes 'asylum and immigration services and interviews.'

Secure English Language Testing (SELT) is an immigration service within this meaning and therefore candidates may travel to attend a test centre for a pre booked SELT Test.

Yours faithfully
